

Collection **ARKON**

Modern lines and handcraft finishing are the main features of Arkon: its sliding doors are completely covered with regenerated hard leather with seams in a contrasting colour or in the same one as the doors.

design: Pietro Arosio

Finishes:

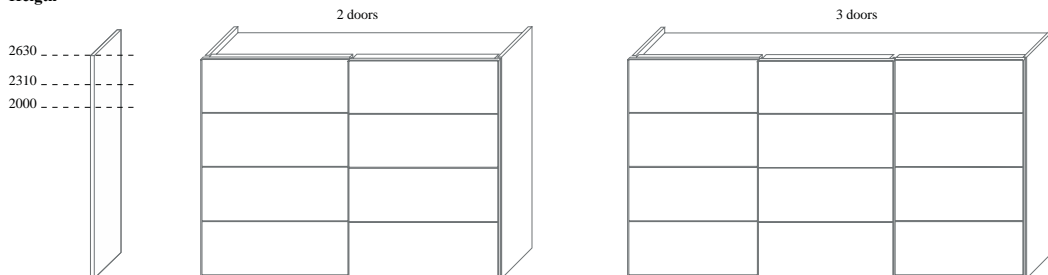

Doors covered with regenerated hard leather available in 5 colours (white, sand, toupe, dark brown and black) and in leather available in 4 colours (brown, light brown, beige and cream) – seams can be in the same colour or in a contrasting one.

External sides: mat lacquered in our selected colours, dark walnut
Internal finish; mat lacquered in our selected colours, dark walnut

Possibility to cover the backpanels and the internal fitting with hard leather.
